

38 North Street, Gatton QLD 4343

Gatton Heart

Versatile building on the major cross street in the heart of Gatton. The premises has previously been used as a training facility and offices by a government agency. It is air conditioned, has ramp access front and rear, toilets and shower and a kitchen. There is staff parking at the rear. The building is very visible to vehicle and pedestrian traffic from the main street apart from having its own busy traffic flow.
