TREE & STUMP REMOVAL BUSINESS ? COUNTRY VICTORIA

Phone enquiries - please quote property ID 27787.

This is a great opportunity to purchase this Tree & Stump Removal Business, established 25+ years. Has a great reputation. Customers include government and local councils (contracting for them over 19 years). Good staff in place with huge potential to expand.

Servicing regional Victoria from Seymour to Shepparton, Benalla, Euroa, Strathbogie etc. No premises or lease required, just store your equipment at home, or your choice to find storage facilities if required.

This business has an excellent reputation and has not needed to do any advertising or marketing. There is so much work around and contracts with the government and local councils are an added bonus, giving the opportunity to take this business to new heights.

There are 3 full-time casual workers in place, including 1 qualified Arborist + 2 staff with relative tickets to run machinery, plus the owner. Staffs are very loyal, ranging from 1-14 years.

The sale includes equipment with two price options depending on what gear you need.

Main items include:

- * 2015 - 990 Bandit Chipper 12 inch (2400 hours)
- * 1998 Isuzu Twin Tab, Tipper Truck
