Hervey Bay Virtual Reality is up for sale. The business has now been open for over a year here in Hervey Bay and has been moulded into a well-tuned, tried and tested entertainment business for all ages.

This happy workplace is ready for someone with basic computer knowledge and a desire to have fun all day to take over.

During COVID we have relied solely on the local community and surrounding town, who's support thus far has been amazing.

Moving forward, restrictions have eased and as tourists start to re-enter the state, the tourism opportunity that
