Manhattan Chic Boutique is a 3-year-old business and won A Best New Business 2021 with Community Vision Australia and Joondalup Business Association Business Award 2021.

It is managed by its founder, who is a mum with limited working hours. It is a regretful sale, as the business is well-positioned and the current owner has passionately invested much of her time into establishing this business and seeing it grow each day. The business has the potential to scale in e-commerce, wholesale, and distribution with a full-time operator. Fantastic for som
