An incredible opportunity to purchase a highly successful, multi-faceted business with a fantastic reputation, strong brand, multiple revenue streams and clear avenues for growth.

This well-established business maintains a solid network and substantial following with minimal competition and superior market standing in a high-growth, seemingly untapped market.

Operating for over 18 years, this highly regarded, industry leader boasts four distinct and equally profitable revenue streams all poised perfectly for significant expansion. The four aspects of the business include the Globally recognised Dog Groomer Training Centre, one of the Premier Dog Grooming Salons, the go-to destination for top branded Dog Grooming Equipment for industry professionals and an associated Pet Shop for everyday consumers stocking a wide range of pet care food, products and accessories.

- * One of Australia's premier dog groomer training organisations
- * Multiple, successful revenue streams
- * Substantial competitive advantage
- * Outstanding brand recognition
