

Special Needs Teaching - Brisbane

, Logan Village QLD 4207

Great Opportunity for Qualified Primary/Special Needs Teacher

Phone enquiries - please quote property ID 29952.

This special needs teaching opportunity is now available to purchase from the existing owner of 20+ years. Originally established in Adelaide, from home, then relocated to Brisbane, the owner needs to now pass the torch to the next person/s and is selling this business at a very modest price.

The business can easily grow especially if you set up a classroom at home, and add more special needs teachers, perhaps on a contractual basis.

Special Educational Needs Teachers to work with children who need extra support. This includes children with physical, learning, emotional, behavioural and communication difficulties or who just learn in

Education/training
