Successful and Reputable Concrete business with diverse and loyal clients

Phone enquiries - please quote property ID 29919.

The brand has become synonymous with quality, reliability, competitive pricing and superior results receiving high levels of repeat business, referrals and enquiries.

This concrete business currently offers:

- Residential Concreting Services
- Commercial Concreting Services
- Landscaping

The company undertakes minimal marketing, relying on its loyal client base and steady flow of new enquiries for its broad service offerings and multiple revenue streams. It maintains some digital presence with a basic website, online classifieds including local search, strong SEO and Google My Business. They also sponsor local sporting organisations. Foundations

are in place for a new owner to easily expand on the business by putting in more tenders and introducing an active marketing strategy to access new markets. Implementing basic marketing campaigns, and segmenting specific promotions for commercial clients and an active so
