

20 Sutherland Street, Kalbarri WA 6536

Freehold Property with Successful Earthworks/concrete Business

Phone enquiries - please quote property ID 30568.

This commercial property offers a freehold site alongside the business being sold together - Kalbarri Siteworks predominantly undertakes earthworks with a concrete manufacturing plant. This business is worked from the main yard and has been in operation since 1990.

The ideal buyer will need an understanding of the construction industry with know-how in batching of concrete.

Kalbarri Siteworks is located at the L.I.A on a large block and is freehold. This business is run all year round with a very steady profit.
