Elite Hygiene Services is a well-established business with over 30 yrs of experience providing sanitary product and waste removal services to clients in Melbourne and greater Melbourne.

The company prides itself on its wide range of services including servicing of sanitary bins, management of feminine sanitary disposal, nappy bins, maintenance and cleaning of new age waterless and conventional flushing urinals, insect control services, and a variety of washroom accessories and eco-friendly consumables.

The business is located within Melbourne and the greater Melbourne area, from the Mornington Peninsula to Geelong is where most of our clients reside. This means that the new owner will have a large area to target and expand upon. There is a factory for inventory storage and cleaning, however, the current rental agreement can be passed on to the buyer or they can choose to rent/purchase a factory in a location that better suits their needs.

With a proven track record of success, Elite Hygiene Services is an excellent opportunity for individuals or experienced business owners looking to invest in a profitable and in-demand industry. Well-suited for a wide range of potential buyers, as the foundations for the business, are already established, allowing for easy integration of new business structure.
