Cafe/Restaurant Cheap Rent - Short Hrs - 5 Days - Massive Potential

An incredibly attractive caf? brimming with immense potential, operating for just 5 days a week, from 9am to 3pm.

Cheap rent and in a very busy location.

It has a brand-new pizza oven hardly used.

The business doesn't sell pizza, so that presents a great potential to introduce pizza to the business. Hardly any pizza competition in the area.

It's a must see!

Years of operation: 18
