Just became vacant by 'Bungalow Life' so I am looking for another suitable Tenant. The property is on one level that totals 500 sq meters and is on the corner of Duke St and Cross St and is just up from Main Street out of the flood area !!!

There is a lot of passing traffic and being on a corner, great for effective signage!

There is a kitchen sink/bench/cupboard, microwave and fridge. There is roller door access in Cross St for deliver
