Regional Recruitment Agency

Phone enquiries - please quote property ID 32230.

Enjoy the flexibility to work from your office or anywhere else! This Recruitment and Labour Hire business has been established in Regional Victoria for over 20 years. The company supplies both white-collar and blue-collar services throughout Regional Victoria to a wide range of industries for recruitment at all levels.

The company also offers HR consultancy such as outplacement and skills testing and background checks, as required by customers.

The company owns the right to trading names and copyright protection for its trading name and logos.

The overheads are low and the two Directors work both remotely or in the two offices in Regional Victoria depending on the needs of clients and candidates. They have developed robust systems and procedures which enable them to enjoy the ability to work remotely and still offer flawless service to their clients across Regional Victoria.

Because of its long and established name and reputation for personalised and excellent service and successful placements; the company enjoys repeat business from clients throughout Regional Victoria.
