Phone enquiries - please quote property ID 32683.

Discover a rare chance to acquire a thriving restaurant nestled in a prime location on the Mid-North Coast. Boasting unparalleled views, this well-established business is primed for success.

The restaurant enjoys a strong local reputation and a solid turnover, with ample room for growth. Currently operating only during daytime hours, there's untapped potential with approved late-night trading. The long-term lease further enhances this unique opportunity.

Included in the sale are all furnishings, equipment, and seating. An inventory of on-hand stock is available separately. Ideal for a chef or restaurateur seeking a sea change, this turnkey business requires no specific skills.

The profit stream is steady, and with unrestricted dinner service permitted by the liquor license, expansion possibilities are vast. Located in Forster Tuncurry, the establishment offers breathtaking ocean and lake views, arguably the best in the area.
