Business Opportunity with Growing Client Base in Beautiful Gippsland Region

Phone enquiries - please quote property ID 32979.

This business presents a unique opportunity for those in search of a successful business with an impressive 10+ years of servicing the community in beautiful Gippsland. The business offers everything from mowing, gardening, pruning and general handyman services.

The business has a large well established client base operating on a regular cycle, providing a stable and predictable income. On top of this, constant extra work requests coming through add the cream on top of the pie. Success has been built on consistency and quality of work and a strong referral system of loyal clients and service providers to increase and grow the business.

To facilitate the smooth day to day running of the business it uses the Sortscape app. Business comes with an established phone number and phone, artwork for logo's, client contracts and work orders. There is also a large equipment package available for purchase, which can be negotiated. Package includes utes, trailers, machinery etc to enable smooth running of the business immediately.

Don't miss this opportunity to step into a thriving business in the heart of the beautiful Gippsland region, where you will be as little as ? hr drive from the ocean, snow and tree's, all this only 2hrs drive from the Melbourne CBD. Enquire now for further details. O
