

71 Northern Link Circuit, Shaw QLD 4818

Modern Industrial Facility with Wash Down Bay

This modern 427m² warehouse/office is located on 2,087m² of land situated in the Northern Link Industrial Park.

The warehouse has 4 high clearance roller doors allowing for easy access and good ventilation. Currently configured as two separate warehouses with a wash down bay located in the middle.

The 70m² office has a high quality finish to it and also features full disabled amenities.

The fully fenced property has secure concrete/gravel hard stand area and separate customer parking.
