

18 Harris Street, Wallsend NSW 2287

Former Courthouse - Wallsend

Historically protected properties undergoing renovations.

The improvements consist of the former Wallsend Court House building and two carports, with some fencing and paving.

The building comprises front entry porch, foyer, court room, offices and storage rooms, separate male and female staff and public toilets, interview rooms, lunchroom, storage and cleaners room. The court room is central to the building, surrounded by the other areas.

Detached to the rear of the building are 2 separate carports capable of accommodating 5 cars.
