

Level 3/106 Edward, Brisbane City QLD 4000

Edward House

Edward House, a 5-storey building. The foyer and some upper levels were refurbished in late 1988. The building underwent a major refurbishment in early 2002, which included an upgrade to the facade, entry lobby and lift system.

With its heritage look and funky feel Edward House offers potential tenants the opportunity to secure a fully refurbished floor in the heart of Brisbanes corporate prescient. Centrally located with in minutes walk of all amenities, public transport and botanical gardens 106 Edward Street provides tenants a truly unique chance.
