

, Hobart TAS 7000

World Class Leisure Business

Built in March 2001 on a prime development site area of 9574 m2 and a building size of 1000 m2 with parking for 75 cars.

This award winning, world class recreation facility also incorporates a fully licensed cafe, function facilities, indoor and outdoor putting courses and the amazing full swing golf simulators.

The concept is similar to popular developments in the United States.

It is hugely successful in Hobart with over 250,000 visitors in its first 3 years.

A detailed property report is available from the selling agents.
