FOR SALE

Close to the Bruce Highway and centrally located to the Maroochydore town centre and Sunshine Motorway.

This is your opportunity to secure a 1 acre general industry zoned site with potential 2 street access in the heart of Kunda Park Central Industrial Estate. 5 kilometres approx to the Bruce Highway, 5 minutes to Maroochydore and less to the Motorway. 1 Page Street Kunda Park is located on the corner of Hoopers Road and Page Street. The site is strategically positioned next to Bidvest's brand new warehouse facility and directly opposite Protector Aluminium. What a unique opportunity for an Owner Occupier with a special land requirement given the lack of suitably zoned available land so close to Maroochydore.
